## The Former Bulls Head Public House, High Street

**HAVE YOUR SAY! YOUR VIEWS ARE IMPORTANT TO US!**

We would like to advise you of a planning application that Brooke Smith Planning are preparing on behalf of Bromford Developments Ltd, for the redevelopment of a long vacant site.

A fire in 2010 caused significant damage to the former pub, leaving it structurally unsafe and is now at a stage where it is beyond repair. Despite active marketing, there has been little interest in the site coming back to life as a pub, or alternative retail use.

Bromford have great aspirations to bring life back to this site with proposals for 14 self-contained apartments for Adults with Learning Disabilities, to be provided through one of Bromford's innovative housing support models.

Bromford's housing initiatives have been met with great success and have proven results of decreases in dependency. This site provides great promise for extending this success further.

Thank you for taking the time to look at our scheme. We would welcome your views toward the proposals, so that we can pursue the best possible development of the site that will not only provide a solution to a need, but will do so in a way that is supported by the local community.

Overleaf is a short questionnaire we would be grateful if you could complete and return to Bulls Head Consultation, Brooke Smith Planning, The Cloisters, 12 George Road, Birmingham, B15 1NP.

Alternatively the questionnaire can be completed online at:
